Subject: Work at home request for 5/10/2019

Hello Barbara,

This is a work at home request for 5/10/2019. Proposed tasks are as follows:

- Go to the former Tanklage site to oversee the smoke test for the grease waste line. Jerry Aarons with DTSC was concerned with smoke coming out of this conduit, and the contractors and DTSC will all be at the site tomorrow morning to address this issue.
- Review the site investigation report from Mark Withrow for the Wilmington Marine Site.
- Send Mark Withrow comments on the site investigation report for Wilmington.

Thanks!
